Vicinity Map

Township 18 North, Range 4 West,
Sec. 16
Seward Meridian, Alaska

Location	Located approximately 1.5 miles west of mile 63 of the Parks Highway.
Topo Map	USGS Quad Tyonek C-1, Anchorage C-8
Access	The closest road access is from the Parks Highway west along N. Lynx Lake Road and then south utilizing platted easements and rights-of-way. There are several winter roads located to the north and west of the subject area, but development of a year round road would be economically unfeasible.
Terrain	Flat to short irregular slopes interspersed with low-lying bogs. Elevation averages around 250 feet above mean sea level.
Soils	Silt loam in the uplands with peat bog in the low-lying areas.
Vegetation	Mixed forest of spruce and birch with sedges and black spruce found on the edges of poorly drained bogs.
Water Front	ADL 210439 has an unnamed pond in parcel.
View	View of the Alaska Range, Talkeetna Mountains, and Chugach Mountains.
Climate	Temperatures in the area range from 6 to 21 degrees F in winter, and 47 to 67 degrees F in summer. Mean annual rainfall ranges from 16 inches to 27 inches with 48 to 150 inches of snowfall.
Water Source	Unknown
Water/Sewage Disposal	No individual water supply system or sewage disposal system shall be permitted on any lot unless such system is located, constructed and equipped in accordance with the requirements, standards and recommendations of the Alaska Dept. of Environmental Conservation.
Utilities	None
Restrictions	All parcels subject to a 25-foot public access and utility easement on all interior lot lines. Parcels adjacent to surveyed section lines are subject to a 50-foot section line easement. Subject to platted easements and reservations, see ASCS Section 16.
Municipal Authority	Located within the taxing authority of the Matanuska-Susitna Borough.
Homeowners Assoc.	Unknown
Other	Located within the Willow Sub-Basin Area Plan. It is strongly suggested that prospective applicants personally inspect these parcels before filing an application as both parcels contain swampy sections. These sale areas may, on a case-by-case basis, be open to competitive oil and gas leasing and are continually open for application under Exploration Licensing and Shallow Natural Gas Leasing. These parcels will be conveyed by aliquot part. No interior monuments have been set.

Note: Authorized uses such as hunting, trapping, mining, or timber sales can and do occur on private, municipal, state, or federal land near the offered parcels. It is strongly recommended that applicants take this into consideration when applying for the purchase of state land.

Veteran's Land Discount

The Veteran's Land Discount described in this section cannot be applied to parcels acquired in the Veteran's Preference Sale. Per AS 38.05.940, eligible veterans may receive a **25 percent discount** on the purchase of state land. This Veteran's Land Discount may only be used **once** in an applicant's lifetime.

Veteran's Discount Qualifications

To be eligible, a veteran must submit proof, acceptable to the department, that he/she:

1. Is 18 years of age or older at the date of sale;
2. **Has been a resident of the State of Alaska** for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
3. Has served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened

due to a service-connected disability or due to receiving an early separation after a tour of duty overseas (use Form DD 214); and

4. Has received an honorable discharge, or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form DD 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active duty must be submitted. Interested veterans are encouraged to request their Form DD 214 well in advance of the auction.

The Veteran's Land Discount may be applied only to acquisition of surface rights to the land. **It may not**

be applied to survey and platting costs, or other costs reimbursable to the state. These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table on page 7.

Successful bidders who qualify for the Veteran's Land Discount **must apply for the discount at the time of the award notification.** The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another, both purchasers must be eligible veterans. Under these circumstances, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

At right is an example of how a Veteran's Land Discount would be calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:

VETERAN'S DISCOUNT CALCULATION			
Per Acre Reimbursable Cost	\$	959.00	
"X" Parcel Size (Acres)	x	3.349	
Total Reimbursable Cost	\$	3,211.69	
Bid Price	\$	14,000.00	\$ 14,000.00
Less the Reimbursable Cost	\$	-3,211.69	
Amount eligible for discount	\$	10,788.31	
25% Veteran's Discount Rate	x	0.25	
Veteran's Discount	\$	2,697.08	\$ -2,697.08
Discounted Purchase Price (Bid Price Less Discount)			\$ 11,302.92
Less 5% bid deposit of the full purchase price (<i>do not submit a bid deposit based upon the discounted purchase price</i>)			\$ -700.00
Balance Due			\$ 10,602.92
